Best Gold: Alex McKendry

Worst White: Gianni Modica

Lady Paramount special awards to: Ruth Baker, Chris James.

Weather: chilly, very windy with strong gusts, and occasional drizzle.

Many thanks to everyone who took part. We hope that you enjoyed the Tournament and hopefully it was a useful return to outdoor competition at the start of this season. The Tournament continues to grow – this was our largest number of participants in the time that I've been TO and it was also our first time including Asiatic Bow as a distinct category. As always, it was great to welcome back so many familiar friends and to make some new friends too!

Sponsors:

The wind certainly made it tricky, well done to everyone who persevered through the round, particularly the juniors, some of whom were shooting an outdoor tournament for the first time.

Special thanks to our Lady Paramount Maggie Woolf, Field Captain and Judge, Sui-Man Ket, the Spellane family for running the BBQ, and all the volunteers who helped with marking out and setting up the field, cleaning up the clubhouse before and after, checking the scores, registering participants, providing home-cooked food, running the bar, and organising the raffle – the tournament would not happen without you!

Thanks also to our sponsors, [Chiltern Archery](#).

I hope to see you all at our future tournaments, including our 49th Double American on Saturday, 4th July and our Longbow and Barebow shoot, which will return for the first time since 2019, on Saturday 25th July – places are still available (tell all your friends!):
